ABOUT HART FELT

Hart Felt Ministries helps under-served and under-resourced seniors 70 and older age in place. At its launch in 2003, Hart Felt provided companionship services. Those services - which are still available today - include friendly visits, grocery shopping, light housekeeping, laundry, telephone calls, respite care, yard work and advocacy.

Over the years, Hart Felt has expanded its services and now offer three additional programs: Fall Prevention (wheelchair ramps, railings and grab bars), The Hart Fund (minor home repairs, help with rent, utilities, etc.), and The Transportation Program. Volunteers and staff strive to weave companionship into all our programs.

Come alongside us as we gather on the picturesque greens of TPC Sawgrass. Guests will enjoy passed hors d'oeuvres, food stations, a selection of refreshing beverages, and a live and silent auction.

Funds raised at this event will support our ability to provide these services FREE to our clients.
