

VOLUNTEERS HELPING FRAIL SENIORS AGE IN PLACE

HART FELT HIGHLIGHTS IN NOVEMBER 2016

Here are a few of the MANY great things Hart Felt volunteers did this month!

- Client Ms. Mary had two electrical fires in her house in recent weeks. Hart Felt's existing electrical contractors were unable to get to her home, so we contacted American Electrical Contracting. They assessed her situation and found four burn spots in her electrical panel. They were surprised there hadn't been a major fire in her home already! She now has a new and safe electrical panel. Thank you!

STATISTIC OF THE MONTH

Over the next 25 years, the senior population in NE Florida is expected to nearly double.

- Several Hart Felt volunteers have pitched in to help client Ms. Vera lately. Julie (Hart Peoples) and Ron Peoples stocked her refrigerator with fresh food, and, at Ms. Vera's request, brought her a burger and fries. Also, volunteer Jeff Taylor is providing advocacy to help relieve some of her monumental medical bills. Finally, plumber John Zellner fixed a pipe that had been leaking for a long time under her home. She had previously paid someone else to fix the leak, but they just took the money and ran.
- Ramps, ramps, ramps! To date Hart Felt volunteers and coalition partners have completed 19 wheelchair ramps in 2016. We're going for 21! Ramp #18 and ramp #19 are pictured here.

- And yard clean-ups! A men's group from Beach Church, led by volunteer Lee Force, recently did a yard clean-up for client Mr. Gus. Also, client Ms. Betty got her yard cleaned up, thanks to a group from Beaches Christian Singles, under the leadership of volunteer Peggy Collins.
- Mr. Richard had just gotten home from the hospital after having triple bypass surgery. He had spent all of his money on medications, and asked if Hart Felt could in any way help him with groceries. For many of our clients, medical expenses often supersede basic necessity costs. Through the Hart Fund, we were indeed able to give Mr. Richard a gift card to help cover his grocery expenses.

- Hart Felt is so blessed to be able to deliver Christmas Stockings and gift cards to our clients again this year, all made possible by the support of The Jim Moran Foundation. We will be delivering 90 Christmas Stockings, and mailing/delivering 105 gift cards.

We are still in desperate need of a contractor/handyman who is willing to go out and assess our clients' needs for us, specifically when it comes to repairs. Please help us continue to look for people to help with this.

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.
