

VOLUNTEERS HELPING FRAIL SENIORS AGE IN PLACE

HART FELT HIGHLIGHTS FOR JULY 2017

Here are a few of the **MANY** great things Hart Felt volunteers did this month!

- Our great country had a birthday in July, and so did Ms. Mary! 97 years young! Thanks to Charles and Ethel Henry for the sweet birthday party.

Ms. Mary

Ms. Gisela with Betty Gambill

- Ms. Gisela, at 102 years young, is Hart Felt's oldest client. She has just now agreed to have help with her housekeeping. Her volunteer, Betty Gambill, is ready to lend a hand!
- Mr. Leon is 75 and suffers from COPD. When his air conditioner stopped working, he had a very hard time breathing. Through The Hart Fund, we purchased a new unit for him so he could (literally) breathe easier.
- Ms. Judie had to have emergency dental work and owed over \$1,700 in dental bills. After paying all of her bills, she would have only \$1 left in her bank account. Hart Felt sent her a Walmart gift card to help with food expenses.

**YOUR IMPACT IN
THIS COMMUNITY
IS TREMENDOUS!**

You give your time every day - visits, transportation, errands, pet care, light housework, wheelchair ramps, minor home repairs, yardwork, shopping, phone reassurance, cards, prayers, . . . it is all so important!

THANK YOU!

- Ms. Alice is 93 and just recently stopped driving. She has been depressed since she had to give up this freedom. New volunteers Burton and Charlotte Boucher have recently been approved to transport Hart Felt clients, and they will be serving Ms. Alice, so they will be a huge blessing to her. Thank you!

- Ms. Florine's roof leak is finally fixed, thanks to Justin Brown and his team at Builders Care. She could not use her kitchen; she had to turn off the electricity there since the water was coming through the kitchen light. She called the office and just kept saying, "Praise God, praise the Lord, and praise Hart Felt"!

- Jenna Perry and team did yet another yard clean-up project, this one for Ms. Irene. This team works so hard to do these projects, even in the hot weather. Jenna is moving but hopes to find a replacement Volunteer so that the team can continue with Hart Felt.

- Ms. Minnie had great difficulty getting in and out of her home. However, she now has a new wheelchair ramp, thanks to Marand Builders (team led by Nathan Hayes), and her problem is solved!
