ABOUT HART FELT

Imagine finding yourself wheelchair bound and becoming a prisoner in your own home. Now, imagine if a team of people worked together to build a wheelchair ramp at no cost to you, once again giving you the ability to travel in and out of your home whether it's to go to church or just sit outside in the sunshine. This is just one way Hart Felt Ministries fulfills its mission to help seniors age in place.

Utilizing a network of community volunteers to demonstrate love and provide, at no charge, non-medical services that build relationships, Hart Felt Ministries works to enhance environments, and preserve the independence of frail seniors. Services include friendly visits, grocery shopping and errands, transportation to appointments, light housekeeping and laundry, telephone reassurance, respite care, yard work, minor home repairs, wheelchair ramp construction, and emergency financial assistance.

The profile of a Hart Felt client is 70 or older; with one or more disease or impairment; the majority live below the poverty line; 85% are widows; and most do not have a support system.

Founded by Jane Hart in 2002, Hart Felt was incorporated as a 501(c)(3) non-profit organization in 2003 with the hope of training 200 hands to provide vital services to seniors. Since that time, more than 1,500 hands have been trained and more than 1,200 clients have been served by Hart Felt Ministries volunteers.

While the statistics are impressive, there is a name and story behind every number. Every dollar raised will support the work of Hart Felt Ministries, changing the lives of seniors in need.
